

Plan de la Page

- 1) Conférence sur les strabismes**
- 2) Conférences sur les nystagmus**
- 3) Conférences sur les paralysies oculomotrices**
- 4) Conférence sur la chirurgie oculomotrice**

Cette page cite les principales conférences données par le Dr Alain Spielmann dans les congrès nationaux et internationaux depuis 2010, ainsi que les celles données dans le cadre de l'enseignement universitaire. La liste ne prend pas en compte les communications libres présentées dans les congrès, trop nombreuses pour être citées ici, ni les conférences données avant 2010.

1) Conférences sur les strabismes

International Strabismological Association (ISA meeting)
Buenos Aires, November 2026
Scientific Director of the meeting

International Strabismological Association (ISA meeting)
Buenos Aires, November 2026
Symposium : From physiology to decision making
Chair of the symposium

JAO 2025
Strasbourg, November 2025
Session : Pediatric Ophthalmology
Les diplopies de l'enfant

Presby.day
Nancy, October 2025
Les strabismes de l'adulte myope candidat à la chirurgie réfractive

Oculoplastique
Nancy, October 2025
Instruction Course : Lids
Paralysie de l'élévation et ptosis

Oculoplastique
Nancy, October 2025
Instruction Course : Orbit
Droit inférieur et paupière inférieure

European Strabismological Association
Istanbul (Turkey), June 2025
Cyclic phenomena : where do the oscillators stand ?

Egypt Strabismological Association / ISA
Luxor (Egypt), November 2024
ISA Symposium : variable angle strabismus
Cyclic ocular motor disorders

ISA Educational Course
Entebe (Uganda), October 2024
Esotropia in adults and children

European Strabismological Association and International Strabismologique Association
Joint meeting
Toulouse, June 2024
Instruction course : Neuro-Ophthalmology Symposium
Internuclear Ophthalmoplegia (INO)

European Strabismological Association and International Strabismologique Association
Joint meeting
Toulouse, June 2024
Update on third nerve palsy with cyclic spasm

Oculoplastique (SOPREF)
Nancy, October 2023
Instruction Course : Orbit
Strabismes et anomalies du contenu orbitaire

European Strabismological Association
Zagreb (Croatia), June 2023
Symposium : Investigation and Management of Strabismus Syndromes
Chair of the symposium

European Strabismological Association
Zagreb (Croatia), June 2023
Instruction Course : free papers
Is there a link between strabismus and keratoconus ?

Strabomania
La Baule, juin 2023
1) Les différentes formes de diplopies
2) Les mini-ténotomies sous anesthésie topique

Chirurgie Réfractive et Innovation
Paris, Janvier 2023
Instruction Course : Innovations
Y-a-t-il un lien entre strabisme et kératocône ?

EUPO (European University Professors of Ophthalmology)
Brussels, November 2022
Instruction Course : Eyelid functional pathology
Dynamic changes of lid position related to ocular motility disorders

World Ophthalmology Congress
September 2022
Session : Surgical procedures for strabismus
Title : Double Y-splitting for Duane Syndrome

International Strabismological Association

Cancun, September 2022
Instruction Course : round table on Surgical Anatomy
Chair of the round table

International Strabismological Association
Cancun, September 2022
Instruction Course : rapid fire presentation
Synkinetic elevation associated with convergence

EPU/CHU Reims
June 2022
Les paralysies du III

EPU/CHU Lille
February 2022
Les strabismes au cours de la maladie de Basedow

Chirurgie Réfractive et Innovations
Paris, January 2022
Instruction Course : Innovations
Opérer les petits angles pour supprimer les prismes

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Instruction Course : Round Table
Third Nerve Palsy : Surgical techniques

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Double Y-Splitting in Duane syndrome with elevation in adduction

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Transconjunctival plication

Chirurgie Réfractive et Innovations
Paris, January 2021
Instruction Course : Innovations
Les strabismes du myope

ESA-ISA Webinar
Virtual meeting, November 2020
Instruction Course : A case I have learnt from
A case of unusual spasm in third nerve palsy

Oculoplastique (SOPREF)
Nancy, October 2019
Instruction Course : Difficult Cases
Oculomotricité et Paupières ; travailler ensemble

European Strabismological Association (ESA)

Helsinki (Finland), June 2019
Clinical Patterns in Ocular-Lid synkinesis

AOP
Paris, (France), January 2020
Topical anesthesia in strabismus surgery

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : What is New in Adult Strabismus Surgery
Strabismus Related to Degeneration of the SR-LR Band

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : ESA symposium
Strabismus surgery for central neurological lesions

Asia Pacific Academy of Ophthalmology (APAO)
Bangkok, March 2019
Instruction Course : Where East Meets West (SOE Symposium)
Amazing cases from a collection of 20 000 videotapes

Asia Pacific Academy of Ophthalmology (APAO)
Bangkok, March 2019
Instruction Course : Orbit
Orbital Strabismus : challenging cases

Congrès : Chirurgie de la Presbytie
Paris, January 2019
Instruction Course : Varia
Strabisme et presbytie

Congress of the Latin American Council of Strabismus (CLADE)
Buenos Aires (Argentina), October 2017
Instruction course : Adult strabismus

Congrès de l'Association Européenne de Strabologie
Porto (Portugal), september 2017
Transconjunctival Yokoyama procedure

Strabomania
Aubrac (France), June 2017
Instruction Course : Paralysie de l'oblique supérieur
Quel muscle opérer ?

Strabomania
Aubrac (Aubrac), June 2017
Instruction Course : Evolution de la prise en charge médicale
Intérêt des rétinographes non mydriatiques

Association Française de Strabologie et Ophtalmo-Pédiatrie (AFSOP)
Paris (France), May 2016
Instruction Course : Techniques chirurgicales complexes
La chirurgie réglable

Association Française de Strabologie et Ophtalmo-Pédiatrie (AFSOP)
Paris (France), May 2017
Instruction Course : Techniques chirurgicales complexes
La chirurgie du strabisme sous anesthésie topique

American Association of Pediatric Ophthalmology and Strabismus / SPOSI
Jaipur (India), December 2016
Instruction Course : Controversies in strabismology
Inferior oblique surgery in congenital 4th nerve palsy

Ateliers d'Ophtalmologie Pratique (AOP)
Paris (France), December 2016
Instruction Course : Strabologie
Le risque strabologique en chirurgie réfractive

Syndicat National des Ophtalmologistes
Paris (France), March 2016
L'offre de soins en strabologie et enjeux de santé publique

European Strabismological Association (ESA)
Venice (Italy), October 2015
Instruction Course : A case I learnt from
See-saw nystagmus and skew deviation

World Society of Pediatric Ophthalmology and Strabismus (WSPOS)
Barcelona (Spain), September 2015
Instruction Course : I wish I hadn't done that !
Cyclotorsion after vertical Kestenbaum surgery

Ateliers d'Ophtalmologie Pratique (AOP)
Paris (France), December 2015
Instruction Course : Ophtalmo-Pédiatrie
Vidéorama des strabismes de l'adulte

Cours de l'école d'Orthoptie – Paris VI (CHNO des Quinze-Vingt, Pitié Salpêtrière)
Enseignement de Strabologie
Paris, 2014-2015-2016-2017-2018-2019-2020-2021-2022
Esotropies de l'enfant
Exotropies de l'enfant
Pathologie supranucléaire de l'enfant
Les syndromes de restriction
L'albinisme
Paralysies oculo-motrices
Strabismes de l'adulte (hors paralysie)
Conduite à tenir devant un nystagmus
Chirurgie des Nystagmus

Les nystagmus neurologiques acquis
Troubles oculomoteurs psychosomatiques
Techniques chirurgicales
La toxine botulique dans le traitement des strabismes

International Strabismological Association (ISA meeting)
Kyoto (Japan), December 2014
Workshop : The course of strabismus during a lifetime
Moderator : Dr Alain Spielmann

International Strabismological Association (ISA meeting)
Kyoto (Japan), December 2014
Consecutive exotropia in adults

ATOC
Tunis (Tunisia), February 2014
Instruction Course : Strabismus
Consecutive exotropia

ATOC
Tunis (Tunisia), February 2014
Instruction Course : Strabismus
Strabismus in adults patients

American Association for Pediatric Ophthalmology and Strabismus (AAPOS) / SNEC
Singapore, July 2013
Instruction Course : Common Dilemma in Pediatric-Ophthalmology
Psychogenic Strabismus

American Association for Pediatric Ophthalmology and Strabismus /SNEC (joint meeting)
Singapore, July 2013
Instruction Course : Video Bonanza Symposium
Incyclo or Excyclo ?

Belgium Strabismological Association
Brussels (Belgium), September 2012
Instruction course : Granny has a squint
Consecutive exotropia in elderly patients

European Strabismological Association
Bucharest (Romania), September 2012
Instruction Course : Round table on Third Nerve Palsy
Synkinesis in third nerve palsy

European Society of Ophthalmology (ESA) / American Association for Pediatric Ophthalmology and Strabismus (AAPOS)
Geneva (Switzerland), 2011
Instruction Course : What's new in strabismus surgery ?
Update in Nystagmus Surgery

Romanian Strabismological Association
Brasov (Romania), 2010
Nystagmus : The basis

Romanian Strabismological Association
Brasov (Romania), 2010
Nystagmus : Difficult cases

2) Conférences sur les nystagmus

International Strabismological Association (ISA meeting)
Buenos Aires, November 2026
Symposium : Nystagmus
Usual and unusual acquired nystagmus

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Zagreb, June 2023
Instruction Course : Round Table on Nystagmus

International Webinar
India November 2020 (virtual meeting)
Instruction Course : Nystagmus decoded
Infantile Nystagmus Syndrome : preventing and managing undesirable results

World Society of Pediatric Ophthalmology and Strabismus (WSPOS)
Amsterdam, September 2020 (virtual meeting)
Instruction Course : The patient with wiggling eye
Evaluation of Nystagmus

International Webinar
India, September 2020 (virtual meeting)
Instruction Course : Nystagmus decoded
Recurrence of head postures after nystagmus surgery : what are the available surgical options ?

European Strabismological Association (ESA)
Helsinki (Finland), June 2019
Five cases of unusual nystagmus

Asia Pacific Academy of Ophthalmology (APAO)
Bangkok, March 2019
Instruction Course : Where East Meets West (SOE Symposium)
Amazing cases from a collection of 20 000 videotapes

Association Mouvement Nystagmus
Paris (France), March 2017
Les nystagmus

Ateliers d'Ophtalmologie Pratique (AOP)
Paris (France), December 2016
Instruction Course : Strabologie
Les mouvements oculaires anormaux

APAO
Alger (Algeria), November 2016
Instruction Course : Pediatric Ophthalmology
Conduite à tenir devant un nystagmus

European Strabismological Association (ESA)
Venise (Italy), October 2015
Instruction Course : A case I learnt from
See-saw nystagmus

World Society of Pediatric Ophthalmology and Strabismus (WSPOS)
Barcelona (Spain), September 2015
Instruction Course : I wish I hadn't done that
Cyclotorsion after vertical Kestenbaum surgery

Cours de l'école d'Orthoptie - Paris VI (CHNO des Quinze-Vingt, Pitié Salpêtrière)
Enseignement de Strabologie
Paris, 2014-2015-2016-2017
Pathologie supra-nucléaire de l'enfant
L'albinisme
Conduite à tenir devant un nystagmus
Chirurgie des Nystagmus
Les nystagmus neurologiques acquis

Oculomotricité et Neuro-Ophtalmologie
Marseille (France), September 2014
Pathologie supra-nucléaire de l'enfant

American Association for Pediatric Ophthalmology and Strabismus (AAPOS) / SNEC
Singapore, July 2013
Instruction Course : Video Bonanza Symposium
Incylo or Excylo Nystagmus ?

FOCAL
Ophtalmo-Pédiatrie
Metz (France), 2013
Conduite à tenir devant un nystagmus

European Strabismological Association Meeting
Marseille (France), September 2013
Instruction Course : Management of Nystagmus
Surgical Treatment of Nystagmus without Consistent Head Turn or with Changing Head Turn

World Ophthalmology Congress
Abu Dhabi (United Arab Emirates), February 2012
Instruction Course : Nystagmus Surgery

Benefits of Surgery in Acquired Neurological Nystagmus

European Society of Ophthalmology (ESA) / American Association for Pediatric Ophthalmology and Strabismus (AAPOS)

Geneva (Switzerland), 2011

Instruction Course : What's new in strabismus surgery ?

Update in Nystagmus Surgery

World Congress of Pediatric Ophthalmology and Strabismus

Barcelona (Spain), September 2009

Instruction Course : Controversies in Nystagmus

Nystagmus Surgery

3) Conférences sur les Paralysies Oculomotrices

Oculoplastique

Nancy, October 2025

Instruction Course : Lids

Paralysie de l'élévation et ptosis

European Strabismological Association

Istanbul (Turkey), June 2025

Cyclic phenomena : where do the oscillators stand ?

European Strabismological Association and International Strabismologique Association

Joint meeting

Toulouse, June 2024

Update on third nerve palsy with cyclic spasm

EPU/CHU Reims

June 2022

Les paralysies du III

EPU/CHU Lille

February 2022

Les strabismes au cours de la maladie de Basedow

ESA-ISA Webinar

Virtual meeting, November 2020

Instruction Course : A case I have learnt from

A case of unusual spasm in third nerve palsy

European Strabismological Association (ESA)

Helsinki (Finland), June 2019

Clinical Patterns in Ocular-Lid synkinesis

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : ESA symposium
Strabismus surgery for central neurological lesions

Strabomania
Aubrac (France), June 2016
Instruction Course : Paralysie de l'oblique supérieur
Quel muscle opérer ?

American Association of Pediatric Ophthalmology and Strabismus (AAPOS) / SPOSI
Jaipur (India), December 2016
Instruction Course : Controversies in strabismology
Inferior oblique surgery in congenital 4th nerve palsy

Paralysies oculomotrices de l'enfant et de l'adulte
Marseille (France), September 2016
Instruction Course : Les paralysies oculomotrices de l'adulte
Paralysie acquise unilatérale du IV

Paralysies oculomotrices de l'enfant et de l'adulte
Marseille (France), September 2016
Instruction Course : Les paralysies oculomotrices de l'enfant
Paralysie du VI chez l'enfant

European Strabismological Association (ESA)
Venise (Italy), October 2015
Instruction Course : A case I learnt from
See-saw nystagmus and skew deviation

Cours de l'école d'Orthoptie – Paris VI (CHNO des Quinze-Vingt, Pitié Salpêtrière)
Enseignement de strabologie
Paris, 2014-2015-2016-2017
Les paralysies oculo-motrices : sémiologie
Les paralysies oculo-motrices : chirurgie
La toxine botulique dans le traitement des paralysies oculomotrices

American Association for Pediatric Ophthalmology and Strabismus (AAPOS) / SNEC
Singapore, July 2013
Instruction Course : Common Dilemma in Pediatric Neuro-Ophtalmology
Psychogenic Strabismus

American Association for Pediatric Ophthalmology and Strabismus (AAPOS) / SNEC
Singapore, July 2013
Instruction Course : Video Bonanza Symposium
Incyclo or Excyclo Nystagmus ?

Oculomotricité et Neuro-Ophtalmologie
Marseille (France), 2014
Pathologie supra-nucléaire de l'enfant

Strabomania Meeting – Organisation du congrès
Nancy (France), September 2012
Thème : Troubles Oculomoteurs et Neurologie

Strabomania
Nancy (France), September 2012
Thème : Troubles Oculomoteurs et Neurologie
1) L'atteinte du regard vertical : aspects thérapeutiques
2) Skew déviation : aspects thérapeutiques
3) Diagnostics différentiels non neurologiques

European Strabismological Association
Bucharest, September 2012
Instruction Course : Round table on Third Nerve Palsy
Synkinesis in third nerve palsy

World Ophthalmology Congress
Abu Dhabi (United Arab Emirates), February 2012
Instruction Course : Nystagmus Surgery
Benefits of Surgery in Acquired Neurological Nystagmus

Les Paralysies Oculomotrices
Marseille (France), 2010
Instruction Course : Paralysies complexes
Paralysie oculomotrice et nystagmus associé : aspects chirurgicaux.

4) Conférences sur la chirurgie oculomotrice

Oculoplastique
Nancy, October 2025
Instruction Course : Orbit
Droit inférieur et paupière inférieure

Strabomania
La Baule, juin 2023
1) Les diplopies
2) Les mini-ténotomies sous anesthésie topique

World Ophthalmology Congress
September 2022
Session : Surgical procedures for strabismus
Title : Double Y-splitting for Duane Syndrome

International Strabismological Association
Cancun, September 2022
Instruction Course : round table on Surgical Anatomy
Chair of the round table

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Instruction Course : Round Table
Third Nerve Palsy : Surgical techniques

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Double Y-Splitting in Duane syndrome with elevation in adduction

European Strabismological Association (ESA) / International Strabismological Association (ISA)
Paris, April 2021 (virtual joint meeting)
Transconjunctival plication

International Webinar
India November 2020 (virtual meeting)
Instruction Course : Optimizing results in nystagmus surgery
Infantile Nystagmus Syndrome : preventing and managing undesirable results

International Webinar
India, September 2020 (virtual meeting)
Instruction Course : Nystagmus decoded
Recurrence of head postures after nystagmus surgery : what are the available surgical options ?

AOP
Paris, (France), January 2020
Topical anesthesia in strabismus surgery

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : What is New in Adult Strabismus Surgery
Strabismus Related to Degeneration of the SR-LR Band

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : ESA symposium
Strabismus surgery for central neurological lesions

Congrès : Chirurgie de la Presbytie
Paris, January 2019
Instruction Course : Varia
Strabisme et presbytie

Congress of the Latin American Council of Strabismus (CLADE)
Buenos Aires, October 2017
Instruction course : Adult strabismus

Strabomania
Aubrac (France), June 2017
Instruction Course : Paralysie de l'oblique supérieur
Quel muscle opérer ?

Association Française de Strabologie et Ophtalmo-Pédiatrie (AFSOP)
Paris (France), May 2017
Instruction Course : Chirurgie
La chirurgie réglable

Association Française de Strabologie et Ophtalmo-Pédiatrie (AFSOP)
Paris (France), May 2017
Instruction Course : Chirurgie
La chirurgie sous anesthésie topique

Ateliers d'Ophtalmologie Pratique (AOP)
Paris (France), December 2016
Instruction Course : Strabologie
Le risque strabologique en chirurgie réfractive

American Association of Pediatric Ophthalmology and Strabismus / SPOSI
Jaipur (India), December 2016
Instruction Course : Controversies in strabismology
Inferior oblique SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : What is New in Adult Strabismus Surgery
Strabismus Related to Degeneration of the SR-LR Band

SOE meeting (European Society of Ophthalmology)
Nice, June 2019
Instruction Course : ESA symposium
Strabismus surgery for central neurological lesions

Congress of the Latin American Council of Strabismus (CLADE)
Buenos Aires, October 2017
Instruction course : Adult strabismus

Strabomania
Aubrac (France), June 2017
